### **INSTRUCTORS**

**GUY E. "SANDY" BURNETTE  
&  
JOSEPH TOSCANO, CFI**

The presentation will include a discussion of the current issues fire investigators should understand and consider when conducting origin & cause investigations. These include current court decisions that address expert opinions as well as the manner and methodology employed by "experts". We will discuss changes in the field of fire investigation over the past decade and how these changes can influence your decision making process.
